Welcome to Big Creative Training

Big Creative Training (BCT) is a well-established and expanding creative industry training provider with more than twenty years' experience of delivering positive outcomes for learners. Our mission is to improve the lives of young people through high quality training and creative industry experiences, and we also take pride in ensuring staff are encouraged to flourish and feel excited to be a part of BCT.

As an organisation we provide a supportive, developmental environment with a creative and innovative approach to education. Choosing to work for BCT will enable you to be part of a successful organisation that offer a good work-life balance to all employees, which includes a flexible working approach, a friendly, positive and purposeful working environment, and plenty of opportunities for social interaction between colleagues.

We are an employer which champions equality, diversity, and inclusion. We work with integrity and passion, and are fiercely committed to creating a truly meaningful work environment, where individuals are empowered with the tools, technology, and training to unleash their full potential.

This is an exciting time to join BCT. We are expanding to launch our new world-class Digital Future Campus in September, including industry standard training rooms, equipment, VFX studios, e-sports arena and editing suites.

We have more than 500 young people per year enrolled onto our vocational training programmes including apprenticeships, and learners take qualifications in maths and English if needed. We have great industry links and work with over 100 creative sector employers and SMEs.

BCT also operates **Creative Works** - a creative industry coworking space as part of our group, giving learners and staff access to an exciting community of creative businesses to support learning and progression.

Benefits of working for BCT

- Company pension scheme
- Employee assistance programme including healthcare cashback
- Bike to work scheme
- Supportive, caring and developmental environment
- Excellent career development opportunities and performance recognition
- Staff social events
- Interest free loans for emergencies or professional development

“Leaders and staff successfully ignite young people’s enthusiasm for learning.”

Ofsted

What our learners and graduates say...

96% of learners at BCT say their overall experience is good. Here's what they had to say...

"The teachers always find time to help."

"I love the small class sizes, and the fun environment created."

"I get to do something I love with other people who have the same interests as me."

Not only did the college give us the tools and knowledge to succeed, they prepared us for life as creatives of the future.

What our staff say...

I like the progressive nature of the college and how we are always looking to expand and offer a more rounded experience for the learners.

The best part of my role is being able to make a positive difference to the lives of many, supporting our young people in seeing their potential.

There is fantastic communication between members of staff and the management team.

I feel supported and encouraged in my role, inspired to continue working to deliver high quality and engaging material.

The staff get on well with each other and work together positively to benefit the organisation.

Lovely working environment with a supportive team and great students.

What we do, individually, and overall, makes a huge impact on the lives of these young people and empowers them.

I like the collaborative culture and genuine care for staff, with time and energy invested.

BCT is a small organisation with a big heart and a great mission to develop learners from disadvantaged communities.

I am trusted by my manager to use initiative and develop my area as I see fit. I feel trusted and valued in my ideas and opinions.

The environment at BCT is a huge stand out to me. The staff are diverse so it makes me feel very comfortable at work.

The absolutely fantastic team of staff that I work with – we all come from different walks of life yet share the same creative interests and goals in improving learner's experience and their lives in general.

The community feel to our college is second to none.
