What our staff say...

I like the progressive nature of the college and how we are always looking to expand and offer a more rounded experience for the learners.

The best part of my role is being able to make a positive difference to the lives of many, supporting our young people in seeing their potential.

There is fantastic communication between members of staff and the management team.

I feel supported and encouraged in my role, inspired to continue working to deliver high quality and engaging material.

The staff get on well with each other and work together positively to benefit the organisation.

Lovely working environment with a supportive team and great students.

What we do, individually, and overall, makes a huge impact on the lives of these young people and empowers them.

I like the collaborative culture and genuine care for staff, with time and energy invested.

BCA is a small organisation with a big heart and a great mission to develop learners from disadvantaged communities.

I am trusted by my manager to use initiative and develop my area as I see fit. I feel trusted and valued in my ideas and opinions.

The environment at BCA is a huge stand out to me. The staff are diverse so it makes me feel very comfortable at work.

The absolutely fantastic team of staff that I work with – we all come from different walks of life yet share the same creative interests and goals in improving learner's experience and their lives in general.

The community feel to our college is second to none.
